

Get Low

Dog is Dead

Dog Is Dead- Get Low

Em **G**
The fear of the dark is a walk in the park,
Am **C**
When you re wasted, When you re wasted.
Em **G**
It s tearing me up but I want to do it all
Am **C**
and taste it, Now I tasted it.
Em **G**
Now I m taking the vow of sadness,
Am **C**
I got misery on my mind,
Em **G** **Am** **C**
And I get low, I get low, I get low, I get low

Em **G**
Mary in love, Making friends starting fights
Am **C**
in the basement, In the basement.
Em **G**
Tell me a lie for a cheap crooked smile
Am **C**
I can face it, I can face it.
Em **G**
And I m doing fine with my head in the clouds,
Am **C**
Don t tell me not to look so glum.
Em **G** **Am** **C**
As I get low, I get low, I get low, I get low.
Em **G** **Am** **C**
I get low, I get low, I get low, I get low.

Am **D**
At first twenty seconds of love,
Am **D**
Blaming myself for the ride.
D C Bm C
But you cant fall apart,
D C Bm C
No you cant fall apart.
Am **C**
When it rains, when it rains.

D G F# Em Bm D
But you can t forgive yourself sometimes,

D G F# Em Bm D
But you can t forgive yourself sometimes,
 G Em C Cmaj7
Cause it s hard being wrong for the 42nd time.

Em G Am C

 Em G Am C
And I get low, I get low, I get low, I get low,
 Em G Am C
I get low, I get low, I get low, I get low.

No rhythm guitar in the recording so chords are rough but they fit. Thus you can
get away with leaving some chords out.
