

Glockenspiel Song
Dog is Dead

Lyrics may not be 100% accurate.

The song is A and E over and over and over
and the B7 is fun to throw in there every now and then.

[A] [E]
We ll all start a fire

[A] [E]
if the bells don t ring in our home town.

[A] [E]
They re just cheats and liars

[A] [E]
They will serve you well

[A] [E]
Oh, are we so alive?

[A] [E] ... [B7]
Are we so-o-o-o alive?

[A]
So-o-o-o-o

[E]
So-o-o-o-o

[A]
So-o-o-o-o

[E]
So-o-o-o-o

[A] [E]
Daylight breaks and I m in your arms again

[A] [E]
A tiger waiting to be tamed

[A]

We re beat down fingers and we re beat down toes

[E]

and we re beat down singers in the beat down halls

[A]

[E]

until time came back twice around.

[A]

[E]

Oh, are we so alive?

[A]

[E]

Are we so-o-o-o alive?

[A]

So-o-o-o-o

[E]

So-o-o-o-o

[A]

So-o-o-o-o

[E]

So-o-o-o-o

[A]

Oh, this town, it s so electric,

[E]

since I got the feeling I can t shut down

[A]

[E]

We are a mess, we are failures and we love it.
