Between the sheets of a hole we birthed,

I know the devil s not far and is testing us.

When your friends keep climbing on your bedroom wall,

[Am]

[G]

[E7]

[F]

you can t keep telling them you ll never be as tall

as your old man.

Darling, I m telling you, you, hands down,

[Am] [C]

Come fill your head with ghosts,

[Am] [C]

Come live inside my dreams,

[Am] [C]

I turn the headlights on and you disappear.

[C]

for one last chance.
