[C] [F] [C] [F]
like the feeling of the first time you believed in some good guy

[C] [F] [Am] [F]
you can t be cheating if we re losing all the time,

[F] [G] [C] ... [Am]
Me and my friends are gonna talk through the night.

[F] [G] [C]
Me and my friends are gonna talk through the night.

Forget every book you ever read. Forget.
It s not easy to be interested.
All the time I ve made mistakes
I ve locked all love inside a cage,
and now it s fleeting,
but in time I ll be alright.
Me and my friends are gonna talk through the night.
Me and my friends are gonna talk through the night.

[Am] [G]
We were just pretending

[C] [F]
we were more than hopeless.

[Am] [G]
Now the day is ending

[C] [F]
and we re getting older

[Am] [G] [C] [F] [D7] [F]

because no one ever wants to leave something good behiiiiind.

Me and my friends are gonna talk through the night.

[C] [Am]
If i be good to you,

[Em] [F]
can i be anymore than that?
