

The Well  
Dog is Dead

Lyrics may not be 100% accurate.

CAPO 4TH FRET

[G#m] [F#]  
There is a well...

[Ebm] [E]  
far from the shore...

[B] [E]  
where we once saw it all...

[Ebm] [F#]  
but we re all two feet taller now.

[G#m] [F#]  
I still hear you talking...

[Ebm] [E]  
from over the wall.

[B] [E]  
the scenes from our childhood...

[Ebm] [F#]  
the same corridors...

Ooooooooooh

Ooooooooooh

Ooooooooooh

Ooooooooooh

[G#m] [F#]  
Born in a crash,

[Ebm] [E]  
burning to hell,

[B] [E]

but the memory plays tricks on us.

[Ebm] [F#]  
What s not to tell?

[G#m] [F#]  
Well you can t be forlorn

[Ebm] [E]  
for it s not goodbye.

[B] [E]  
just the changing of color now

[Ebm] [F#]  
til I get it right.

[E] [G#m] [B] [F#]  
and I will hold on to those moments we had.

[E] [G#m] [B] [F#]  
and I will hold on to those moments we had.

[G#m] [F#]  
We re six feet below

[Ebm] [E]  
the view from our town.

[B] [E]  
Burying our promises

[Ebm] [F#]  
and finding new ground.

[G#m] [F#]  
And there is a well

[Ebm] [E]  
far from the shore

[B] [E]  
and I d give it all

[Ebm] [F#]  
to feel like I never left.

[E] [G#m] [B] [F#]  
and I will hold on to those moments we had.

[E] [G#m] [B] [F#]  
and I will hold on to those moments we had.
