Heard it all before no need to tell me anymore
About the government health warnings

I m still craving in the mornings
You could paper walls with what I cough up
In the early hours now and then
What a drag, what a drag
Extra strong and ultra low I ve tried them all so I should know
That nothing beats a pack of 20 fags
They say I won t see 45 but at the moment I m alive
Looking forward to another shag and a fag
What a drag.
