

Bridge:

A **Bm** **G** **D**
I ve served you whole, and I ve loved you so
A **Bm** **G** **D**
I ve placed my hope, in your streets of gold
A **Bm** **G** **D**
My anguish holds what my harvest soothes [?]
A **Bm** **G** **D**
My questions flow from my bitter soul

Chorus 2:

Bm **G** **D**
Where were you, in the night, when the roof came down?
Bm **G** **D**
Where were you, holding light, when the fire went out?
Bm **G** **D**
Where were you, El Shaddai, El Shaddai, El Shaddai?
G
You answer me, you answer,
Bm **G** **D** **Dsus** **D** **Dsus**
Where were you, little child, when the world was made?
Bm **G** **D** **Dsus** **D** **Dsus**
Who made you, reconciled, when the blood was paid?
Bm **G** **D** **Dsus** **D** **Dsus**
It was I, El Shaddai, El Shaddai, El Shaddai
Bm **G** **D** **Dsus** **D** **Dsus**
It was I, El Shaddai, El Shaddai, you cry
