LYRICS:

Never thought our love would last
 For so long
 Time and time again
 I thought that you would be gone
 Still we kept love hanging on
 I guess it s meant to be
 That your heart still belongs to me

And now we ve stood the test of time
 We survived
 I asked for hope and a chance
 You gave the key to your heart
 You used to say that I m not sincere
 I m gonna prove that you re wrong
 I m never gonna leave your arms

Should ve realized before
Your love s worth waiting for

Don t you know that
It s our love that s burning
Burning like a flame
And you know that
It s out love that s never gonna change
Cause every time I touch you
You just make me go insane
Don t you know that
It s our love that s burning

Our love burning like a flame

Like a fantasy in the dark
You were gone
I couldn t say the words
That you wanted to hear
But baby, now that I see the light
I feel it s burning so bright
So let s stop wasting all this time
Should ve seen it all before
Our love s worth waiting for

Don t you know that
It s our love that s burning
Burning like a flame
And you know that
It s out love that s never gonna change
Cause every time I touch you
You just make me go insane
Don t you know that
It s our love that s burning

Our love burning like a flame

Should ve seen it all before
Your love s worth waiting for

Don t you know that
It s our love that s burning
Burning like a flame
And you know that
It s out love that s never gonna change
Cause every time I touch you
You just make me go insane
Don t you know that
It s our love that s burning
Our love burning like a flame
Our love, never gonna change
