But I need a man who s a little more motivated than you

**G** **B11** **C**

**C7**

And I hope we can still be friends as long as I never have to see your penis again

[Chorus]

**G** **Bm** **Em** **C**

We should see other people tonight

**G** **Bm** **Em** **C**

We should see other people tonight

There s just more fish in the sea  
I m sure that you will be fine

[Verse 3]

No! What kind of stupid reason is that  
I bet there s another guy oh whose got you on your back  
Okay I m not fucking perfect  
But you never gave me a chance for improvement  
And I know that you were drunk that time you said you loved me  
But doesn t that count for something something something something

[Chorus]

Why are you quitting on me tonight  
I swear if there s someone else I ll slash their tires  
And then you ll see I was meant to be in your life

[Verse 4]

You wouldn t return my texts and you were pretty bad at sex  
And you got drunk the first time I introduced you to my parents  
You re boring and not a nice guy  
You re passive aggressive  
And you have to be the center of attention all the time

[Chorus]

Well your friends suck  
You drink too much  
You quit all things when they get tough  
You always smell like cigarettes  
I told you I was gonna quit  
You re full of shit

**Bm**

You re full of shit

**Em C G Bm Em C**

You re full of shi~iit

[Outro]

**G Bm Em C**

Home lemme go home home is when I m away from you

**G Bm Em C**

Home, I don t wanna go home and just be alone in my room
