

Apple Jack
Dolly Parton

Artist - Dolly Parton
Song - Apple Jack
Capo 1

E **A** **E**
He lived by the apple orchard in this little orchard shack
E **A** **B7**
His real name was Jackson Taylor but I called him Apple Jack
E **A** **E**
Now old Apple Jack was loved by everyone he ever knew
E **B7** **E**
Apple Jack picked apples but he picked the banjo too

[Chorus]

E **A** **E**
Play a song for me Apple Jack, Apple Jack
E **B7**
Play a song for me and I ll sing
E **A** **E**
Play a song for me Apple Jack, Apple Jack
E **B7** **E**
Play a song, let your banjo ring

Now I d go down to Apple Jack s almost everyday
We d sit and we d drink applejack that old Apple Jack had made
Then he d take his banjo down then he d ask me if I d sing
And he would play the banjo and I d play my tambourine

[Chorus]

That s when I was just a kid and now that I am grown
All I have are memories, old Apple Jack is gone
Oh, but he left me his banjo and it always takes me back
And every time I play it, I still hear Apple Jack

[Chorus]

That s when I was just a kid and now that I am grown
All I have are memories, old Apple Jack is gone
Oh, but he left me his banjo and it always takes me back
And every time I play it, I still hear Apple Jack

[Chorus]

That s when I was just a kid and now that I am grown
All I have are memories, old Apple Jack is gone
Oh, but he left me his banjo and it always takes me back
And every time I play it, I still hear Apple Jack
