

He Would Know
Dolly Parton

CAPO ON 1ST FRET

C **Am** **G**
In my mind I ve made love to you often

F **G** **C**
But only in my mind can it be so

C **Am** **G**
Cause there s someone at home that s countin on me

F **G** **C**
And if I did, I m sure that he would know.

C **F** **C**
Yes, he would know, yes, he could tell

D **G**
For he has loved long enough to know me very well

F **C**
And if I lied, he d see it in my eyes

F **G** **C**
I know my guilt would show and he would know.

(The rest of the song it s played with the same chords).

But I must admit you re someone very special
And it would be so easy to let go
Makin love to you could be so easy
But if I did, I m sure that he would know

Yes, he would know, yes, he could tell
For, he has loved me long enough to know me very well
And if I lied, he d see it in my eyes
I know my guilt would show and he would know

My conscience just won t let me make love to you
I know it would be sweet, but I just can t
When I go home to him I must be able
To look him in the eyes and say I ain t

Yes, he would know, yes, he could tell
For, he has loved me long enough to know me very well

And if I lied, he d see it in my eyes
I know my guilt would show and he would know
