

Holding On To Nothing
Dolly Parton

Intro:

C **F** **C** **G7** **C**
We re holding on with nothing left to hold on to

F **C**
I m so tired of holding on to nothing

F
The years have shown no kindness

C **G7**
For the hard times we ve been through

C **F**
We ve squeezed the life from every dream

C
And still go right on bluffing

F **C** **G7** **C**
With really nothing left to hold on to

F
Oh why do we keep holding on

C
With nothing left to hold on to

F
Let s be honest with each other

C **G7**
That s the least that we can do

C **F** **C**
I feel guilty when they envy me and you

F **C** **G7** **C**
We re holding on with nothing left to hold on to

F **C**
We were young and foolishly mistaken

F **C** **G7**
Victims of a passion much too strong to be denied

C **F** **C**
With only tears to show for all the years that we ve been faking

F **C** **G7** **C**
God only knows how long how hard we ve tried

Repeat #2

F **C** **G7** **C**
We re holding on with nothing left to hold on to
