

**Just Because Im A Woman**  
**Dolly Parton**

**C** **G7**  
I can see you re disappointed by the way you look at me  
**C**  
And I m sorry that I m not the woman you thought I d be  
**C7** **F**  
Yes I ve made my mistakes but listen and understand  
**C** **G7** **C**  
My mistakes are no worse than yours just because I m a woman

**F** **C**  
So when you look at me don t feel sorry for yourself  
**F** **C** **G7**  
Just think of all the shame you might have brought somebody else  
**C** **C7** **F**  
Just let me tell you this then we ll both know where we stand  
**C** **G7** **C**  
My mistakes are no worse than yours just because I m a woman

**G7**  
Now a man will take a good girl and he ll ruin her reputation  
**C**  
But when he wants to marry well that s a different situation  
**C7** **F**  
He ll just walk off and leave her to do the best she can  
**C** **G7** **C**  
While he looks for an angel to wear his wedding band

**F** **C**  
Now I know that I m no angel if that s what you thought you d found  
**F** **C** **G7**  
I was just the victim of a man that let me down  
**C** **C7** **F**  
Yes I ve made my mistakes but listen and understand  
**C** **G7** **C**  
My mistakes are no worse than yours just because I m a woman

**F** **C** **G7** **C**
