

[Verse 3]

E **A**
We got no big fine fancy car to drive
D **A**
And no fancy clothes to keep in style
E **D**
What we ve got we re paying on
A **D**
But it s mostly love that we re living on

[Chorus]

E
So, come on down
A
Have a look around
D **A**
Rich folks living in a poor folks town
E **D**
We got no money but we re rich in love
E **D** **A**
That s one thing that we ve got a-plenty of
E **A**
So come on down have a look around
D **A**
At rich folks living in a poor folks town

[Verse 4]

E **A**
We ve got a little simple church nearby
D **A**
And the promise of a mansion in the sky
E **D**
A heart of gold a million dollar smile
A **D**
And a one-way ticket to paradise

[Chorus]

E
So, come on down
A
Have a look around
D **A**
Rich folks living in a poor folks town
E **D**
We got no money but we re rich in love
