

Apple Of My Eye
Dolores O'Riordan

Intro: **G C G CG** As the days the go by The apple of my eye **CI** ll always
wait for you **G** And as a new day dawns The darkness moves away **C** And I will
wait for you **Em G D** Uh, uh, uh **G** Remember, remember **C** the face of you **G**
Surrender, surrender **C** the touch of you **G C G** Uh, uh, uh **G** Well it s a hard
to hold the room is turning cold **C** The candles flickers still **G** and what I
would not do for the love of you **C** would you hold on to me? **Em D G** Uh,
uh, uh **G** Remember, remember **C** the face of you **G** Surrender, surrender **C** the
touch of you **Em D C G D** Uh, uh, uh **G** As the days the go by The apple of my eye
CI ll always wait for you **G** And as a new day dawns The darkness moves away
C And I will wait for you **G** Remember, remember **C** the face of you **G**
Surrender, surrender **C** the touch of you **G** **CI**
will remember, I will remember the face of you **G**
CI will remember, I will remember the touch of you (4x)
