G Bm  
I can feel a pleasure, that s the pain

G Bm  
When I die, I died in vain

G Bm  
I can hear sweet temptations come

G Bm  
Come with me and we will fall

C Bm  
Ecstasy, misunderstood

C  
Will you dance with me

Bm  
As if I should?

C  
And in the morning

Bm  
The sun will shine

C  
Still I can t shake her

Bm  
Get out of my mind

G Bm  
I can feel it rushing through my veins

G Bm  
After they withdraw the pain

G Bm  
This must be the essence of it all

G Bm  
Stay with me and we will fall

**C** **Bm**  
Ecstasy, misunderstood

**C**  
Will you dance with me

**Bm**  
As if I should?
