

Again And Again
dominic balli

Bm **D** **G** **A**
I suddenly found myself drifting far from the shore
Bm **D** **G** **A**
I was carried away much further than I d ever gone before

G
I thought I needed something better

D
My heart started beating

F#
For empty pleasure

Bm **A** **G**
But all I needed was you

D
Now it s only you

A
You re all that I want

Refrão:

G **D** **F#** **Bm** **A**
(Cuz) I have found in you my treasure true no other love will do

G **D** **F#** **Bm** **A**
So I----I will give my all and keep on falling in love with you

G **D** **F#** **Bm** **A**
Again and again again and again over and over again

G ,F#

Bm **D** **G** **A**
All of the glamour n glitz arrayed like alluring lights

I thought I needed something better

D
My heart started beating

F#
For empty pleasure
