

Daisys Song
dominic balli

[Verse 1]

D **A** **Bm** **G**
When that storm comes, like a hurricane
D **A** **Bm** **G**
And the sun seems far away
D **A** **Bm** **G**
We will not fear the wind, we will not fear the waves
D **A** **Bm** **G**
I can feel your calm within

D **A** **Bm**
When this life is shaken by raging seas
Bm **A** **G** (**D** **A**)
We are not gon be afraid

Em **D/F#** **G**
So if you walk on waves and wind
A
Then hold my hand and I ll walk again

[Chorus]

D **A** **Bm** **G**
This love is stronger, than the blood that beats my heart
D **A** **Bm** **G**
This love is deeper, than the pain of all these scars
D **A** **Bm** **G**
This love goes farther, than the hope in answer s arms
D **A** **Bm** **G**
This love is stronger, it s strong enough for me

[Verse 2]

D **A** **Bm** **G**
You lived our sorrows, befriended all our pain
D **A** **Bm** **G**
All that we might rise again
D **A** **Bm** **G**

You stole my sickness, rested in my disease
D **A** **Bm** **G**
All that I might rest in thee

D **A** **Bm** **G**
And you alone bring healing, for you I ll wait,
Bm **A** **G** (**D** **A**)
But we are not gon be afraid

Em **D/F#** **G**

So if you walk on waves and wind

A

Then hold my hand and I ll walk again

[Chorus]

D A Bm G
This love is stronger, than the blood that beats my heart

D A Bm G
This love is deeper, than the pain of all these scars

D A Bm G
This love goes farther, than the hope in answer s arms

D A Bm G
This love is stronger, it s strong enough for me

G A D A Bm
We may be crushed but we are not ever forsaken

G A D A Bm
We may be struck down but we are not ever destroyed

G A D A Bm
Then when that fire comes to shine through me your glory

G A (D A)
We are not gonna be afraid

Em D/F# G
So if you walk on waves and wind

A

Then hold my hand and I ll walk again

[Chorus]
