

Fly
dominic balli

Intro: **A F#m A F#m Bm E**

A F#m
I believed in you from the very start
A F#m
No doubt that you a shooting star
Bm
Going places
E
Among the greatest
A F#m
You could soar just like a rocket you
A F#m
Could change the world if you wanted to
Bm
Little lady
E
It s not a maybe

D A
You don t need no helicopters
E F#m
Hot air balloons or fancy charters
D A
Just spread your wings
E F#m
And free your mind (ey-ah)
D A
You can ditch dem concrete kicks
E F#m E
And reach for the satellites
D A
Ahead s only friendly skies
E
And baby you were meant to fly
D A
Baby you were meant to fly
E F#m
Baby you were meant to fly
D A
Baby you were meant to

Intro: **A F#m**

A F#m
Sinatra said come fly with me
A F#m

But lennon called it lsd

Bm

Now truly

E

Who needs lucy

A **F#m**

Columbus and his ocean blue

A **F#m**

And armstrong with that big ole moon

Bm

Yah they cool

E

But they got nothing on you

E **B**

Up up up and away you go

F# **G#m**

Up up and away you go

E **B** **F#**

Up up up and away you go

(Sobe Tom)

E **B**

You don t need no helicopters

F# **G#m**

Hot air balloons or fancy charters

E **B**

Just spread your wings

F# **G#m**

And free your mind (ey-ah)

E **B**

You can ditch dem concrete kicks

F# **G#m** **F#**

And reach for the satellites

E **B**

Ahead s only friendly skies

F#

And baby you were meant to fly

E **B**

Baby you were meant to fly

F# **G#m**

Baby you were meant to fly

E **B**

Baby you were meant to
