

**Louder**  
**dominic balli**

Intro: **C G Am F**

**C G**  
They say sticks and stones can break your bones  
**Am F**  
But words they never hurt  
**C G Am**  
Can turn a spark into a flame and then the  
**F**  
fire burns  
**C G**  
But I ve heard words that shatter souls  
**Am**  
They knock you down down  
**F**  
They break you down down  
**Dm F**  
Them words but loudest can be heard

**C G**  
All around the world you can feel it moving  
**Am F**  
Shaking foundations waking up nations  
**C G**  
Listen to the sound you can hear it calling  
**Am F**  
Don t matter bout them sticks and stones

**C G Am F**  
Love is louder, love is louder

**C G**  
You know a bitter tongue is a bullet slung  
**Am F**  
It ll shoot some people down  
**C G**  
And a gentle word though it s seldom heard  
**Am F**  
Can wipe away a frown  
**C G**  
They can lift your soul to the highest heights  
**Am**  
Or knock you down down  
**F**  
They break you down down  
**Dm F**  
Them words but loudest can be heard

**C G**

La la la love

**Am G F**

La la la love

**C G Am G F**

La la la love is louder

**C G**

La la la love

**Am G F**

La la la love

**C G**

La la la love is loud
