(Intro)

G#m E

My heart is overflowing with a good theme

B F#

I recite my composition concerning the King

G#m E B F#

My tongue is like the pen of a ready writer (Selah)

(**G#m E B F#**) (2x)

G#m E

My God when you came out before your people

B F#

Marched through the wilderness the earth shook below

G#m E

The heavens stopped at your presence dropped rained

B F#

Five thousand years youâ€™re still the same

G#m

So when the enemy comes at me with tactics of fear and fate

B F#

Like the Lord cracked the sky and it gave forth rain

G#m

So my enemies will be made a footstool before of the King

B F#

One by one theyâ€™ll fall as heavenly armies march and sing

(Chorus)

G#m E B F# G#m

The Lord is warrior heâ€™ll fight with all his might, the enemyâ€™s frightened
as triumph cries

E B F#

A shout of victory, over his enemies and heâ€™ll go forth

G#m E B F# G#m

The Lord is like a man war his light will shatter the darkness from night as
triumph cries

E B F#

G#m E

The Lord is my shelter from my enemies

B F#

I will not fear what they can do to me

G#m E

In the struggle I find strength for the fight

B F#

Weâ€™ll raise the banner high until we break the night

G#m E

Mount up with spiritual armor

B F#

For the weapons of this warfare are far from carnal

G#m E B F#

But mighty in God for tearing down strongholds

(Chorus)

G#m E B F# G#m

The Lord is warrior heâ€™ll fight with all his might the enemyâ€™s frightened
as triumph cries

E B F#

A shout of victory over his enemies and heâ€™ll go forth

G#m E B F# G#m

The Lord is like a man war his light will shatter the darkness from night as
triumph cries

E B F#

(**G#m G#m E E E B B F# F# F#**) (4x)
