

Lets Ride Into The Sunset Together

Don Burnam

Verse:

D **F#** **G**
I ve wrangled, and I ve rambled, and I ve rodeoed around
E **A**
I ve never once thought about settling down
D **F#** **G**
But darlin , the moment I laid eyes on you
E **A** **A7**
I knew my ramblin days were through

D **F#** **G**
Made up my mind a long time ago
E **A**
When the right man came along, somehow I d know
D **F#** **G**
Heart as true, eyes as blue, and his smile as wide
E **A** **A7**
As a western sky

Chorus:

D **F#** **G** **D**
Let s ride into the sunset together
E **A** **A7**
Stirrup to stirrup, side by side
D **F#** **G** **D**
When the day is through, I ll be here with you
G **A** **D**
Into the sunset we will ride

Yodeling:

D
Yodelay-ee-hoo
G
Yodelay-ee-hoo
D **A** **D**
Yodelay-ee, yodelay-ee, yodelay-ee

D **F#** **G**
I ll be your cowgirl, if you ll be my cowboy
E **A**
You ll be my Dale, I ll be your Roy
D **F#** **G**
When the day is done, homeward we ll be wending
E **A** **A7**

Like a movie with a happy ending

(Chorus)
