[**Am**] [**C**] [**Am**] [**C**]

[**Dm**] There s a bible in the [**G**] road, thatâ€™s open to the [**C**] world
You can read it for [**G**] yourself, then tell me what it s all [**Dm**] about
Tell me what do you [**F**] think, then put it back on the [**C**] shelf
Turn on the [**Am**] radio, turn on the [**C**] radio
There s [**E7**] something on the air

[**F**] You said that you were only [**C**] dreaming
But [**F**] I say, you ve never been [**C**] awake
And [**Am**] until you open your [**E7**] eyes
Well then [**Am**] you might be [**E7**] surprised
To [**F**] find me on my [**C**] way

Re-Intro: [**Am**] [**C**]

There s a speaker in the road
Who s preaching to the world
You can listen for yourself
And tell me what he s talking about
So how much would it take
to get you to think for yourself?
Turn on the radio, turn on the radio
Cause thereâ€™s something in the air

-Repeat Chorus-
(end 2nd chorus with Am)

[**C**] [**Am**] [**Dm**] [**G**] [**C**]

Turn on the [**Am**] radio, turn on the [**C**] radio
There s [**E7**] something on the air

-Repeat Chorus-

And I m [**F**] finally on my [**C**] way, yeah I m [**F**] finally on my [**C**] way
