

Falling Into Space

Don DiLego

[Ab] Darling you wonâ€™t ever see
The [Bbm] coming of your destiny
While [Db] you are off and staring at the [Ab] ground

Cause youâ€™re [Ab] often in a love affair
With [Bbm] misery and self-despair
[Db] Speaking with the spiders coming [Ab] down

And when you [Cm] see yourself in [Fm] paradise
Falling into [Ab] space
Do you [Cm] see your lonely [Fm] satellite
Out [Db] in the night? [Dbm]

[Ab] Everyone is trying hard to [Bbm] see
[Db] Just what youâ€™ve been hiding up your [Ab] sleeve

[Ab] But itâ€™s never ever gonna be
That [Bbm] hard to understand
Thereâ€™s a [Db] different set of plans
And theyâ€™re a [Ab] long way out

And when you [Cm] see yourself in [Fm] paradise
Falling into [Ab] space
Well do you [Cm] see your lonely [Fm] satellite
Out [Db] in the night? [Dbm]

[Ab] Maria [Bbm] you are [Db] lovely [Ab] too, [Ab] Maria [Bbm] you are [Db]
lovely [Ab] too

[Ab] Darlin darlin darlin don t you [Bbm] cry
Cause [Db] destiny is always on your [Ab] side
Another [Ab] day with no regret
Another [Bbm] place you should forget
Another [Db] time you should ve spent
Feeling [Db] some[Ab] thing, just [Db] one [Ab] thing
Itâ€™s [Db] bet[Ab] ter than [Db] no[Ab] thing

[Cm] [Fm] Falling into [Ab] space
Do you [Cm] see your lonely [Fm] satellite
Out [Db] in the night? [Dbm]

[Ab] Maria [Bbm] you are [Db] lovely [Ab] too, [Ab] Maria [Bbm] you are [Db]
lovely [Ab] too

[Ab] Darling you wonâ€™t ever see
The [Bbm] coming of your destiny
[Db] Staring at the [Dbm] sun as it goes [Ab] down
