Don Henley
"Taking you home"

D
Bm **A**
I had a good life
Bm **A**
Before you came
G **A**
I had my friends and my freedom
G **A**
I had my name

Bm **A**
Still there was sorrow and emptiness
Bm **A**
Til you made me glad
G **A** **G** **A**
Oh, in this love I found strength I never knew I had

D **A**
And this love
G **A**
Is like nothing I have ever known
Bm **G**
Take my hand, love
A **G** **A**
I m taking you home
I m taking you home

Bm **A**
There were days, lonely days
Bm **A**
When the world wouldn t throw me a crumb
G **A**
But I kept on believing
G **A**
That this day would come

D **A**
And this love
G **A**
Is like nothing I have ever known
Bm **G**
Take my hand, love

A G A G

I m taking you home

I m taking you-home

D G C F G C

Home, where we can grow together

Keep you in my heart forever

Is like nothing I have ever known

Take my hand, love

I m taking you home

And this love

Is like nothing I have ever known

Take my hand, love
