G

I remember when the days were long,

C

and rolled beneath a deep blue sky

G

Didn't have a care in the world,

C

D

with mommy and daddy standing by

G

But happily ever after fails,

C

and we've been poisoned by these fairy tales

G

The lawyers dwell on small details,

Em

C

D

since daddy had to fly

Em

Bm

Ah, but I know a place where we can go,

Em

Cmaj7

D

that's still untouched by man

Em

Bm

Am

We'll sit and watch the clouds go by,

Em

Cmaj7

D

and the tall grass wave in the wind

G

D

C

You can lay your head back on the ground,

Em

Bm

Am

and let your hair fall all around me

G

Offer up your best defense,

Em

but this is the end, this is the end

G

of the innocence

G

Oh beautiful for spacious skies,

C

but now those skies are threatening

G

They're beating plowshares into swords,

C

D

for this tired old man that we elected king

G

Armchair warriors often fail,

C

and we've been poisoned by these fairytales

G

The lawyers clean up all details,

Em

C

since daddy had to lie

Em

G

of the innocence

G

Who knows how long this will last,

C

or how we've come so far so fast

G

But somewhere back there in the dust,

C

D

that same small town in each of us

G

I need to remember this,

C

so baby give me just one kiss

G

And let me take a long last look,

Em

C

D

before we say goodbye

G

Just lay your head back on the ground,

Em **Bm** **Am**
