

Castles In The Air

Don McLean

[Verse]

E **Emaj7**
And if she asks you why
A **E** **F#m7**
you can tell her that I told you that I m tired
B7 **E** **F#m7**
of castles in the air, I ve got a dream
B7 **E** **F#m7**
I want the world to share and castle walls
B7 **E** **Emaj7** **E6** **E**
just lead me to despair.

E **Emaj7**
Hills of forest green
A **E** **F#m7**
where the mountains touch the sky a dream come true
B7 **E** **F#m7**
I ll live there till I die, I m asking you
B7 **E** **F#m7**
to say my last goodbye ,the love we knew
B7 **E** **Emaj7** **E6** **E**
ain t worth another try.

[Chorus]

F#m7 **B7** **E**
Save me from all the trouble and the pain
A **A(G#bass)** **F#m7** **F#7** **B7** **F#m7** **B7** **F#m7** **B7**
I know I m weak but I can t face that girl again
F#m7 **B7** **E**
Tell her the reasons why I can t remain
A **E** **F#m7** **F#7** **B7** **F#m7** **B7** **F#m7** **B7**
Perhaps she ll understand, if you tell it to her plain

[Verse]

E **Emaj7**
But how can words express
A **E** **F#m7**
the feel of sunlight in the morning in the hills,
B7 **E** **F#m7**
away from city strife, I need a
B7 **E** **F#m7**
country woman for my wife, I m city born,
B7 **E** **Emaj7** **E6** **E**
but I love the country life.

E **Emaj7**
For I can not be part

A **E** **F#m7**
of her cocktail generation, partners waltz
B7 **E** **F#m7**
Devoid of all romance the music plays
B7 **E** **F#m7**
and everyone must dance I m bowling out
B7 **E** **Emaj7** **E6** **E**
I need a second chance.

[Chorus]

F#m7 **B7** **E**
Save me from all the trouble and the pain
A **A(G#bass)** **F#m7** **F#7** **B7** **F#m7** **B7** **F#m7** **B7**
I know I m weak but I can t face that girl again
F#m7 **B7** **E**
Tell her the reasons why I can t remain
A **E** **F#m7** **F#7** **B7** **F#m7** **B7** **F#m7** **B7**
Perhaps she ll understand, if you tell it to her plain

[Verse]

E **Emaj7**
And if she asks you why
A **E** **F#m7**
you can tell her that I told you that I m tired
B7 **E** **F#m7**
of castles in the air, I ve got a dream
B7 **E** **F#m7**
