Crossroads - Don McLean

Intro: [G] / [Em] / [C] / [Am] / [D]

[Em] I ve got nothing on my [Am]mind  
Nothing to [D]remember  
[G] [D/F#]Nothing to [Em]forget  
I ve got [Am]nothing to [D]regret  
[G] But I m all tied up on the [Am]inside  
[C] No-one [D]knows quite what I ve [G]got  
[Em] And I know that on the [Am]outside  
What I [C]used to be - I m [D]not  
Any[G]more[C] [G]

[G] You know I ve heard about people like [Am]me  
[C] But I never [D]made the [G]connection  
[G] They walk one road to set them [Am]free  
[C] And find they ve gone the wrong [D]direction  
[G] But there s no need for turning [Am]back  
[C] cause all roads [D]lead to where I [G]stand  
[Em] And I believe I ll walk them [Am]all  
[C] No matter [D]what I may have [G]planned

[Em] Can you remember who I [Am]was  
Can you still [D]feel it  
[G] Can you [D/F#]find my [Em]pain  
[C] Can you [D]heal it  
[G] And lay your hands upon me [Am]now  
[C] And cast this [D]darkness from my [G]soul  
[Em] You alone can light my [Am]way  
[C] You alone can make me [D]whole  
Once A[G]gain[C] [G]

[G] We ve walked both sides of ev ry [Am]street  
[C] Through all [D]kinds of windy [G]weather  
[G] But that was never our [Am]defeat  
[C] As long as we could walk [D]together  
[G] So there s no need for turning [Am]back  
[C] cause all roads [D]lead to where we [G]stand  
[Em] And I believe we ll walk them [Am]all  
[C] No matter [D]what we may have [Em]plan[C]ned[G] [C] [G]
