

Circle Driveway

Don Williams

[Chorus]

G **C** **G**
I wish I had a circle driveway
G **C** **D**
Thereâ€™s too much for me to leave behind
C **G**
If I only had a circle driveway
Am **D7** **G**
Iâ€™d just ride around and wave goodbye

[Verse 1]

G **C** **G**
I really canâ€™t believe she packed my suitcase
G **C** **D**
I canâ€™t believe that both her eyes were dry
C **G**
The only thing we didnâ€™t have together
Am **D7**
Is a right now badly needed circle drive

[Chorus]

G **C** **G**
I wish I had a circle driveway
G **C** **D**
Thereâ€™s too much for me to leave behind
C **G**
If I only had a circle driveway
Am **D7** **G**
Iâ€™d just ride around and wave goodbye

[Verse 2]

G **C** **G**
Well Iâ€™ll slam it in reverse and watch for traffic
G **C** **D**
Cause I donâ€™t want the kids to see me cry
C **G**
Itâ€™s time to head a new direction
Am **D7**
So Iâ€™ll do my best to get it into drive

[Chorus]

G **C** **G**
I wish I had a circle driveway

G **C** **D**
There's too much for me to leave behind

C **G**
If I only had a circle driveway

Am **D7** **G**
I'd just ride around and wave goodbye
