Bm6 (or D-5/B)
I walked into Looneyâ€™s
Tired and tied
Me and my Julie
Been fightinâ€™ all night
Bankroll donâ€™t like it
When I come in late
We got a big beef
With the Sulking Son
We must liquidate
We cab down to the Same Mart
For Lookey Luke
They all lounging in the lobby
Then we do what we come to do
Lotsy goes down easy
Moe takes it in the face
Weinberg Brothers
Run for cover
Squirtinâ€™ metal all over the place

Bm6 (or D-5/B)
My Julieâ€™s in the chorus
On Mr. Zigfieldâ€™s stage
My little canary
In a golden cage
Iâ€™m goofy and

But she runs hot and cold
 It's a relief to get marchin' orders
 And just do just what I'm told
 Tonight we jack the convoy
 Two hundred barrel run
 Trucked in from Agoeey
 In East Patterson
 Roll in 'round midnight
 Deliver to the Speaks
 All out bubble, no trouble
 Whole crew gets to get their beats
