**Cm7/Bb Bb7 (no3)**

If I was gonna make my flight

I had to get to Gate C13

And it was still way out of sight  
**Gbmaj13/Ab**

But something in my carry-on bag

Ticked off the X-ray machine  
Bb7 (no3)  
Cause then an angel straight from heaven

Asked me to step behind the screen  
**C7**

When I felt her wand sweep over me  
**Eb7**

You know I never felt so clean

Cm7/Bb Bb7 (no3)  
til just around boarding time

Then I strolled on back to the checkpoint

Just one thing on my mind  
**Gmaj13/Ab**

She flashed that crooked smile and said

Well I believe you missed your flight .  
Bb7 (no3)

I said There s been a minor change of plan,

And I ll be stayin for one more night .  
C7

I could tell from the way she looked at me  
Eb7

Everything was gonna be all right
