Capo:3th

Fmaj7: X3321X

(C Fmaj7 C G)

I know there s a place
You call it home
But it s not a house cause you re all alone
Said you went down to those broken streams
Been floating in our broken dreams

(Fmaj7 C Fmaj7 G)

The wind that blows here
Saved my soul

(C Fmaj7 C G)

The air is always clean you know
(Fmaj7 C Fmaj7 G)
These four arms will hold us three
Our hearts together beat

(C Fmaj7 C G)

I know there s a place
High a top this hill
We can go there, get away and just stand still
I know this life I m living
Is hard to understand
I ll never stop being your loving man

(Fmaj7 C Fmaj7 G)

The wind that blows here
Saved my soul

(C Fmaj7 C G)

The air is always clean you know
(Fmaj7 C Fmaj7 G)
These four arms will hold us three
Our hearts together beat

(C Fmaj7 C G)

It hurts so bad to be away from you
My only son, come up and see us soon

(Fmaj7 C Fmaj7 G)

The wind that blows here
Saved my soul

(C Fmaj7 C G)

The air is always clean you know
(Fmaj7 C Fmaj7 G)

These four arms will hold us three
Our hearts together beat

(**Fmaj7 C Fmaj7 G**)

The wind that blows here
Saved my soul

(**C Fmaj7 C G**)

The air is always clean you know

(**Fmaj7 C Fmaj7 G**)

These four arms will hold us three
Our hearts together beat
