

## Wondering Where The Lions Are Donavon Frankenreiter

This Donavon Frankenreiter's cover of Bruce Cockburn's song Wondering where the lions are.

Chords:	E A E2 Fmin		Pull off on E		Picking of the chords(verse only)
E	x 5 0 2		x		E 5~4352432435243
A	7 7 2 4		7		2
D	9 7 2 4		9		A 6~4362436436243
G	9 6 1 2		9		2 2
B	9 5 0 2		10p9		
e	x 5 0 2		x		

on the first E chord at the end of all the verses he does a little pull off on the 10th fret second string. The pick pattern may be pretty confusing i dont no those are just the strings you pick. On the picking the two 2 s in a row the second is where you do the pull off.

**E A**

some kind of ecstasy got a hold on me

Up among the firs where it smells so sweet

Chorus:

**Fmin**

and i m wondering where the lions are (wondering where the lions are)

**E2**

i m wondering where the lions are (Wondering where the lions are)

**E2**

i m wondering where the lions are (Wondering where the lions are)

Huge orange flying boat rises off a lake,  
thousand-year-old petroglyphs doing a double take,  
pointing a finger at eternity  
i m sitting in the middle of this ecstasy

Young men marching, helmets shining in the sun,  
polished as precise like the brain behind the gun  
they got me thinking about eternity  
some kind of ecstasy got a hold on me

Freighters on the nod on the surface of the bay  
One of these days we re going to sail away,  
going to sail into eternity  
some kind of ecstasy got a hold on me

and i m wondering where the lions are (wondering where the lions are)  
i m wondering where the lions are (wondering where the lions are)  
i m wondering where the lions are (wondering where the lions are)  
i m wondering where the lions are (wondering where the lions are)  
i m wondering where the lions are (wondering where the lions are)  
i m wondering where the lions are (wondering where the lions are)
