

You  
Donavon Frankenreiter

**G7+** **G7**  
Just take a look around  
**C**  
And tell me what you see  
**G7+** **G7**  
What a wonderful world  
**C**  
You know this could be  
**G7+** **G7**  
Don't get confused  
**C**  
on what you should love and when you should leave  
**G7+** **G7** **C**  
Just don't seem to care about those things it used to bother me  
**G** **G/B** **G/E**  
Cause it's you, uhu, uhu  
**G/C**  
It's all I ever  
**G** **G/F#** **G/B**  
Needed is you, uhu, uhu  
**G/C**  
It's gonna make it better  
**G** **G/F#** **G/B**  
And I, I, I  
**G/C** **G7+** **G7** **C**  
I wanna love you tonight  
**G7+** **G7**  
Well you said don't ever  
**C**  
Lose your pace or  
**G7+** **G7**  
Get lost in this space  
**C**  
No matter where you're going  
**G7+** **G7**  
No matter what you say is  
**C**  
There's just so many faces keeping us apart  
**G7+** **G7**  
But soon there would just  
**C**  
Bring us right back to the start  
**G** **G/F#** **G/B**  
Cause it's you, uhu, uhu  
**G/C**  
It's all I ever  
**G** **G/F#** **G/B**
