

Your Heart

Donavon Frankenreiter

CAPO II

Chord progression is: (relative to capo)

Em G C G

Strum root note with thumb first and follow with the rest of the strings in rhythm...

Bridge:

A C

Em G C G
some days im only half my size
Em G C G
some days im ten feet kneeling
Em G C G
some days im the owner of this city
Em G C G
and some days i get caught stealing

first bridge

A C A C
but then i hear the sirens blowing
A C A C
the church bells they let me know

chourus

Em G C G
its just
Em G C G
your heart
Em G C G
your heart
Em G C G
your heart
Em G C G
your heart

EM G C G
sontimes i feel six feet under
Em G C G
sontimes i wanna scream loud as thunder
Em G C G

sometimes i know that the world feels like its shaking

Em **G** **C** **G**

i d rather be known for giving but for now im taking

A **C** **A** **C**

static in my mind

A **C** **A** **C**

just keep fighting the distance and the time

to your heart

your heart

your heart

your heart

somewhere out there, theres a lost an found

somewhere out there, theres a lasting love

somewhere out there, man its the saddest tune

somewhere out there, i can hear your heart breaking

its just your heart

your heart

your heart breaking
