she works hard for the money, so you better treat her right.

1. Oh, let her there in the corner stand, and she wonders where she is,
and it s strange to her, some people seem to have everything.
Nine a.m. on the hour hand, and she s waiting for the bell,
and she s looking real pretty, just waiting for her clientele.

2. Twenty-eight years have come and gone and she seen a lot of tears,
of the ones who come in, they really seem to need her there.
It s a sacrifice working day to day for little money, just tips for pay,
but it s worth it all just to hear them say that they care.

She already knows she s seen her bad times,
she already knows these are the good times,
she ll never sell out, she never will, not for a dollar bill.
