F Bm5

There s an easy feelin. can you feel it? you can feel it?

Bm5

With an ease we re steppin out. are you ready? could you be ready?

Bm5

Livin s good on the front porch. we can rock it. sure we rock it.

Bm5

Steppin out with the front porch, in our pocket. in our pocket. Chorus

We re steppin out get hip to the motion

One step puts us in the groove

back to the shack for what it might lack

one step forward take a good life back

2nd verse same chords as 1st

fitting in the very world that creates us and relates us what a blessing to a curse human nature human nature evey life a lesson in humility in humility

beauty grace is the word with simplicity with simplicity chorus

then to bridge

Bm5

let it be you let it free you

C

may your life be a pleasure you found

Bm5

let it move you gently shift you

bring your weight to a higher ground

Bm5

there s no needle in my haystack

now you can lay all your worries down

let it grip you gently shift you

let it bring your world around

then there s a break and a repeat of the chorus Bm5 F

Out on the front porch
Bm5 F

we re steppin out with an ease
Bm5 F

back to the shack
Bm5 Bm5add4 F

its as simple as that
were steppin out get hip to the motion

one step puts us in the groove

back to the shack for what it might lack one step forward take a good life back
