

Heading Home

Donovan Frankenreiter

Intro: E7-A7 (4x)

Verse

Try to sell something that just can't be bought.
Said it's the latest and the greatest but I know that it's not.
Try to be somebody that you don't want to be.
Didn't even exist last year and now it's what we need.

Chorus

Oh not me, oh not me,
Cuz I'm heading home.
Cuz I'm heading home.

Verse

Try to tell them somethin' that you ne-ver be taught
I guess it won't be great around he-re when they're born
Once it's really gone then it's really gone for good
Just because you can doesn't mean that you should

Chorus

Oh not here, oh not now,
Cuz I'm heading home.
Cuz I'm heading home.
