

Catch The Wind
Donovan

D

In the chilly hours

G9

D

and minutes, Of uncertainty,

G

I want to be,

D

G

D A

In the warm hold of your loving mind.

D

G9

To feel you all around me,

D

G

And to take your hand, along the sand,

D

G

A

D

Ah, but I may as well try and catch the wind.

D

When sundown

G9

D

pales the sky, I want to hide a while,

G

behind your smile,

D

And everywhere

G

A

D

I'd look, your eyes I'd find.

D

G9

For me to love you now,

D

G

Would be the sweetest thing, 'twould make me sing,

D

G

A

D

Ah, but I may as well, try and catch the wind.

D

When rain has

G9

hung the leaves with tears,

D

I want you near,

G9

to kill my fears

D

G

A

D

to help me to leave all my blues behind.

D

G9

For standin in your heart,

D

Is where I want to be,

G9

and I long to be,

D

G

A

D

Ah, but I may as well, try and catch the wind.
