

I Been Workin On You
Doobie Brothers

Album: Stampede

This song is a really catchy number, and I was just jammin while listening to it when I to figure out the song. I got the main riff of the song and the chorus stuff, but I tab out the solo yet. The lack of Doobie tabs has encouraged me to try and tab stuff, so more songs in the future. Anyways, Heres the intro riff, just play along with the to get the gist of it:

```
|-----0-----0-----0-----0-----0-----0-----|
|-----3b5-----3b5-----3b5-----|
|-----|
|-----|
|-----5-4-2-----5-4-2-----5-4-2-----|
|-x-x-3-2-0-----x-x-3-2-0-----x-x-3-2-0-----|
```

```
|-----|
|-----|
|-----|
|-----|
|-----5-4--7-5-2-----|
|-x-x-3-2--5-3-0-----|
```

Now slide up from that last power chord up to the first one here during the chorus:

```
|-----|
|-----8-8-8-8-8--8-8-8-8-8-|
|-----7-7-7-7-7--7-7-7-7-7-|
|-----9-9-9-9-9--9-9-9-9-9-|
|-10-10-12-10--10-10-12-10--12-12-14-12--12-12-14-12--7-7-7-7-7--7-7-7-7-7-|
|--8--8--8--8--8--8--8--8--10-10-10-10--10-10-10-10-----|
```

```
|-----|
|-----8-8-8-8-8--7-7-7-----|
|-----7-7-7-7-7--7-7-7-----|
|-----9-9-9-9-9--7-7-7-----|
|-10-10-12-10--10-10-12-10--12-12-14-12--12-12-14-12--7-7-7-7-7--7-7-7-----|
|--8--8--8--8--8--8--8--8--10-10-10-10--10-10-10-10-----|
```

Hope this tab helps! Its not 100% accurate rhythm wise (I didnt tab every note) but if look at what I ve given you and play along to the song you ll pick up on the right way to

it in no time. Enjoy!
