**Bb - F - Cm - Eb**

**Bb**

Just a boxcar flower used to follow your daddy

**Gm**

another fader-in from Cincinatti

**Eb**

**Bb**

You were always watching, watching the trains roll by

**Bb**

Yeah, you know I love you, everything you carry

**Gm**

Another redevye, Mobile, Albany

**Eb**

**Bb**

You were always watching, watching the train roll by

**Bb**

So, tell me, what s going on in Graniteville

**F**

Catch a whole town underneath a sleeping pill

**Cm**

It s a quiet little city that grew up together

**Eb**

with your picture looking out your grandmother s window

**Bb**

There s a black train rolling through the middle of the night

**F**

Finds us here, well there s nowhere to hide

**Cm**

If we ever wake up in Graniteville

**Eb**

Oh, you know how much I love you and I always will

**Bb - F - Cm - Eb**

**Bb**

Trying so hard just to get away

**Gm**

some people want to die in a quiet place

**Eb**

**Bb**

where everybody s always watching, watching the trains roll by

**Bb**

Yeah, you have a place to go when it s never enough

**Gm**

Little hard to pay the toll, train s in a rush

**Eb**

**Bb**

out of town, it s always leaving, waving the girl goodbye, goodbye

**F**

Yeah, but every town is small when it comes to you

**Gm**

Just like everyone s asleep when it s passing through

**Eb**

**Bb**

All night I heard the scream of a million tongues

**Bb** (held)

So wake up, pretty baby, turn the light on

**Gm** (held)

tonight there s something different, something gone wrong

**Eb**

**Bb**

We ve been sleeping too long, so long

**Bb**

So, tell me, what s going on in Graniteville

**F**

Catch a whole town underneath a sleeping pill

**Cm**

It s a quiet little city that grew up together

**Eb**

with your picture looking out your grandmother s window

**Bb**

There s a black train rolling through the middle of the night

**F**

Finds us here, well there s nowhere to hide

**Cm**

If we ever wake up in Graniteville

**Eb**

Oh, you know how much I love you and I always will

**Bb - F - Cm - Eb**

**Bb**

Wake up, baby, there s a train a comin

**Cm**

**Eb**

**Bb** **F**  
Wake up, baby, there s a train a comin
