

Have We Made Our God Too Small
Doug Horley

[Intro]

D G A D G A
D G A D G A D

[Chorus]

 D G A D
Have we made our God too small, too small?
 G A
Have we made our God too small?
 D G A D
He made the heavens and earth and He reigns on high
 G A D
Yet He s got the time for you and I
 D G A D
Have we made our God too small, too small?
 G A
Have we made our God too small?
 D G A D
He made the heavens and earth and He reigns on high
 G A D
Yet He s got the time for you and I

[Verse]

D D G A D
See the glory of God light up the sky
 G A D
As the clouds proclaim He reigns on high
 G A D
See the huge expanse of the oceans wide
 G A D
And a billion stars that grace the sky
A
I am awed by the power
 Bm
Awed by the marks of God all around me
A
Yet I m humbled every day by my unbelieving ways
G A
I really, really want it to change

[Chorus]

 D G A D
Have we made our God too small, too small?
 G A
Have we made our God too small?
 D G A D
He made the heavens and earth and He reigns on high

Yet He's got the time for you and I
Have we made our God too small, too small?
Have we made our God too small?

He made the heavens and earth and He reigns on high
Yet He's got the time for you and I

[Verse]

See the glory of God light up the sky
As the clouds proclaim He reigns on high
See the huge expanse of the oceans wide
And a billion stars that grace the sky

I am awed by the power
Awed by the marks of God all around me

Yet I'm humbled every day by my unbelieving ways
I really, really want it to change

[Chorus]

Have we made our God too small, too small?
Have we made our God too small?
He made the heavens and earth and He reigns on high
Yet He's got the time for you and I
Have we made our God too small, too small?
Have we made our God too small?
He made the heavens and earth and He reigns on high
Yet He's got the time for you and I
Have we made our God too small, too small?
Have we made our God too small?
He made the heavens and earth and He reigns on high

Yet He s got the time for you and I

[Outro]

D **G** **A** **D**
Have we made our God too small, too small?

G **A**
Have we made our God too small?
