

Always Say Goodbye

Doug Paisley

Doug Paisley - Always Say Goodbye
(Capo 1st fret)

A **D**
Dont put you flowers on me when Im gone
F#m
There will be hard times to come
D
and a hard time to go
A
And leave you all alone

A **D**
I heard the sound of your name
F#m
from a strangers lips
D
it still sounds the same
A
and its all that remains

F#m **A**
Gotta make it last when I am near you
F#m **A**
Youre going fast and I cannot steer you

D **A**
Come baby come, steal or borrow
D **A**
Go baby go, to your tomorrow
D **A**
Always say goodbye
D **A**
Always say goodbye

I called your name down the well
and my heart fell
to hear you sound so weak
and under the ground

Gotta make it last when I am near you
Youâ€™re going fast and I cannot steer you

Come baby come, steel or borrow
Go baby go, to your tomorrow
And always say goodbye
And always say goodbye
