Honky Tonkin Fool

**G** **C** **G**  
Red hung out at the point of tear He was a honky tonkin fool  
**G** **D7**  
He was there when they brought that jukebox in Back in 1962  
**C** **G** **C**  
He was first to drop a nickel in when he danced whith his first wife  
**G** **D** **G**  
By 61 his wife was gone but that jukebox had survived

**G** **C** **G**  
It was three plays for a quarter when I turned old enough to go  
**G** **D7**  
Red showed me that old Wurlitzer and son I want you to know  
**C** **G** **C**  
If you ever come up two bits short just kick it on the side  
**G** **D** **G**  
And would you do this honky tonkin fool one favor when I die

**G** **C** **G**  
He said roll away my tombstone and put this jukebox in its place  
**G** **D7**  
Then make damn sure your cheatin heart is the only song it plays  
**C** **G** **C**  
I dont need no stone with fancy words this jukebox would be cool  
**G** **D** **G**  
As a perfect final tribute to a honky tonkin fool

**G** **C** **G**  
When we heard the news me and Mr. Hughes put the jukebox in my truck  
**G** **D7**  
and we hauled it right down to the place where old Red had hung it up  
**C** **G** **C**  
Then I ran a short extension cord from the old caretakers shed  
**G** **D** **D7**  
Kicked the side played your cheatin heart and looked down at Red and said

**G** **C** **G**  
Red I rolled away your tombstone and put this jukebox in its place  
**G** **D7**  
then I made damn sure your cheatin heart was the only song it played  
**C** **G** **C**  
You were right about that tombstone Red this jukebox sure is cool

**G** **D** **G**  
Its the perfect final tribute to a honky tonkin fool

**G** **D** **G**
