

Cloud 9

Dove Cameron

C **F**
Waking up, ready for some action

C **F**
Strapping in, ready for the ride

C **F**
Going big now that I can take it

C **F**
All the way to cloud 9

C **F**
Dropping in, wanna feel the rush now

C **F**
Sun is out, the wind is in my hair

C **F**
Nothing else could be quite as awesome

C **F**
As when I m soaring through the air

C G F **C G F**
So here we go, and we ain t gonna take it slow

C G F
We re ready now to touch the sky

C G F
This must be how it feels to fly

C G F **C G F**

Don t give up, keep on taking chances

C **F**
Put in time, till you get it right

C **F**
Winding up, swinging for the fences

C **F**
Won t go down without a fight

C **F**
Going hard, push it to the limit

C **F**

To the edge, go to the extreme

C F

There s no doubt that I m gonna win it

C F

Never giving up the dream
