

Die For Rock N Roll
Dover

Am **F** **C (D#)**
How could I know it would rain
F **C (D#)**
Need someone to blame
Am **F** **G** **E**
Sorry for those who paid me to see me play

Verso2:

Cm **G#** **D#**
And there ll be no starlight again
G# **D#**
You call me today??
Cm **G#** **A#** **G**
Your only job was to keep me awake

Am (Cm) **F (G#)**
Everybody danced
Am (Cm) **F (G#)**
I was lying on the floor
Am (Cm) F (G#) C (D#) G (A#)
I was ready to die for rock&roll!
Am (Cm) **F (G#)**
Had another change
Am (Cm) **F (G#)**
Just a night before
Am (Cm) F (G#) C (D#) G (A#)
I was ready to die for rock&roll!

Give me your hand
Leave me alone
I got a new friend and everybody knows
Cm **G#**
Hating your face
D# **A#**
Was that to much?
Cm **G#** **D#** **A#**
I swear I ll make out with anyone

Am F **C** **G**
To die for rock&roll
