

Hiv
Down Low

Bm G Em F#

He s crawling thru your blood he s coming thru your cells...
when you don t protect yourself he strikes you
do you know who he is? He s the H.I.V
here we go check it out

Bm
Running through your blood intervening thru your cells
I ll be your worst nightmare so you can go on and tell

G
my duty is to take you from this earth,

let me tell you how I go to work

and how it hurts

Em
In the 20th century they invented me

swallowed many medicines tackled many vaccines

F
still standing here on my own

and I can wait to get up in your home

Bm
I ll destroy your life and even take your wife

so you better think twice before you pay that price...

G
I m coming in a midnight creep

watch ya family weep

slowly puttin that ass to sleep

Em
I much grater as the dominator you and me

one on one You know I m the remainer

F#
hopefully I go down in history as memory

you know my name I ll be the H.I.V

CHORUS

Bm

Somebody please help me 'cause I m falling

G

I m going down can t you hear me caling

Em

Can t you see what s going on with me

Bm

F#

Oh I need someone to help me (I ll be the H.I.V.) x2

Life is born from unprotected sex

Life is born sharing needles with the next

catch the context as i start to move it on

listen up out there to the facts of the song

no feelings when I m coming to your heart

destroy your whole family just to do my part

can you hear me? Yo! you do

in 20 more seconds huh I ll be inside of you

slowly see his and her health begins to fall and sooner or later

I hear the phone call

Protect yourself or get you a partner that s true

or I ll be coming to you, pumpin it through

thanks to the media for givin me attention

and while I m in your mind uh I like to mention

diseases of this world are family to me

cos I ll be the one you hate, I ll be the H.I.V.

Bridge:

G

Is there anybody out there? Does anybody hear me?

Bm

Does anybody hear me falling?

G

Is there anybody out there? Oh, can't nobody see?

Bm

F#

Can't nobody stop me from falling?? (I'll be the H.I.V.)
