

I Only Wear Blue

Dr. Dog

--This is a great song that is relatively easy to play and no one has posted any tabs yet... That being said it s my first tab contribution so hopefully it sounds all right to you guys.--

Artist: Dr. Dog

Song: I Only Wear Blue

Tuning: Standard (Capo 1)

A **D**
I m all bottled up.... Floating in the deep blue.

A **D**
You re an open book.... Anyone can read you.

A **D**
And I m losing my voice... Barking up the wrong tree.

A **F#m** **D** **E**
When you can t be yourself..... There s just too much to be....

A **D**
Well let s get on with it... We haven t got too much time.

A **D**
And I don t wanna stay here.. Where the sun don t ever shine..

E **F** **A**
So say the word, and open up your mind...

A **D**
Well it came like a dream.. And it went just as fast...

A **D**
Well it came like a dream.... Left out in the trash...

A **D**
She said I know what you mean.... But I don t know who you are...

A **F#m** **D**
Oh we re just two of many.... Fractions of a part....

A F#m D E

Oh we re just two of many... Fractions of a part...

A D

They said it couldn t be done.... But you went out and did it.

A D

And it was all you ve been looking for... But there ain t no way to get it...

E F A E F A

I m only guilty I admit it..... I m only guilty I....

A D E A

Excuse me, forgive me, I only wear blue.

A D E A

Excuse me, forgive me, I only wear blue.

A D E A

Excuse me, forgive me, I only wear blue.

A D E A

Excuse me, forgive me, I only wear blue.
