A                                              D C#m Bm/ebass abd bc#e
Well I ve been waiting for the rain to break  but I guess my waiting s thru
              E                  A
It s been dry as a bone since 1982  (riff  2X)
A                                          D C#m Bm/ebass    abd bc#e
And I ve been trying to protect myself  With these possessions I keep on his
walls
        E                                                  A
all my books and my records but they donâ€™t give me shelter at all  (riff  2X)
E                                         D           A/c#bass        E
We re not smart enough to know better but  come on come on come ooooooon
  A     E     A     E     A                   E A E A E A E A E
 Take me into town    Take me into town
A                                      D       C#m    Bm/ebass    abd bc#e
Oh did you see my boots when you walked in   Y know I guess this shirt ll do
        E                                        A
I m broke as a monkey and I could use a drop or two  (riff 2X)
A                                      D       C#m    Bm/ebass    abd bc#e
Well I know just what I ll do when I get there   you know I saw it in a magazine
          E                                        A
I can get so low you ll have to peel me from off of the street  (riff 2X)

E                                          D          A/c#bass        E
We re not smart enough to know better         come on come on come ooooooon
A     E A E        A     E A E  A     E A E                      A
Take me into town   Take me into town   Take me into town   Take me into town
BRIDGE          Bm      E
(take me into town) x3         bass walkup at end (D to D major scale)
A          D D A         D         C#m      Bm/ebass    abd bc#e
Well I ve been talking to the dog for days      But you know it s just no use
          E                  A
She s sitting like a sphinx and I can t get to the truth   (riff)
A       DDA              D       C#m      Bm/ebass    abd bc#e
And I ve been staring at the floor for days   Trying to figure out what it all
means
        E                                    A
But Iâ€™m numb when I m awake I m dumber in my dreams  (riff 2X)
E                                     D        A/c#bass     E
We re not smart enough to know better  come on come on come on
E             A
 Take me into town (x4)
