

The Girl
Dr. Dog

Am

He s sleeping in his shoes and dreaming of the worst

F

Living dirty lies, believing in reverse

Am

He d break into the church to burglarize the father

F

Getting older by the second if seconds even bother

Am

C

Oh but the Girl

F

Em

Dm

G

C7

She comes around he was lost where she found him the girl

F

Em

Dm

G

F

Though she might get to him he might never get to the girl

He hide behind the look that s written in the eye
he s lower than the rain cause its falling from the sky
like a man without a mother a choice without a chance
hes digging up the dead expecting them to dance

oh but the girl
she comes around he was lost where she found him the girl
though she might get to him he might never get to the girl

During the verse

C, D, E, A is the bass line over **Am**

F, C, D, F is the bass line over **F**

C, G, A, C is the bass line over **C**
